OVERVIEW

The Boys & Girls Clubs of Tucson is part of a nationwide affiliation of local autonomous organizations and Boys & Girls Clubs of America working to help youth of all backgrounds, with special concern for those from disadvantaged circumstances, to develop the qualities needed to become responsible citizens and leaders.

The Clubs offer young people what they need and want most:

- ◆ Adults who respect and listen to them;
- ◆ A safe place where they can have fun and be themselves; and
- ◆ Interesting, constructive activities.

The Boys & Girls Clubs of Tucson is facility-based, employs youth development professionals supplemented by part-time staff and volunteers, and offers daily access to a broad range of programs in five core program areas:

- ◆ Character & Leadership Development
- ◆ Education & Career Development
- ◆ Health & Life Skills
- ◆ The Arts
- ◆ Sports, Fitness, & Recreation

All Boys & Girls Club programs incorporate a Youth Development Strategy, which fosters a sense of belonging, competence, usefulness, and influence among young people. These programs help members develop self-confidence and enhance self-esteem.
