## A Message from Debbie Wagner, CEO

Spring is an exciting time of year! The warmer days with a cool breeze, the buds on the trees, the awakening of a hibernating desert. You can feel the buzz in the air.

Here at the Clubs, things are all-a-buzz as well! The hard work and dedication of the Board, staff and community are culminating into what will be an amazing event, our 15th annual The EVENT at La Encantada on April 3rd.

We are thrilled to announce that The EVENT committee surpassed its sponsorship stretch goal by over \$9,000 coming in at \$119,700 as of 3/23. Special thanks to Laurie Wetterschneider and Julie Butcher for leading the charge in securing so many of these sponsors. With a week until the big day, we have less than a dozen tickets left to sell. I know we can do it!

We are also excited to announce that we have secured the funding to extend our Summer hours. Team Cholla through their amazing efforts and golf tournament were able to raise over \$31,000 for the Clubs which will be allocated to Summer hours and programming at the Clubhouses. Our Club Members are so excited to know we will be here for them through July. Thank you Team Cholla!

Thank you to all that have made the start of our year so great! Our success, hard work and excitement equals great futures for our kids. Keep up the great work!

Debbie

### Supporting Our Clubs in the Community

**Team Cholla Raises over \$31,000 to Subsidize Clubhouse Summer Hours**

## The Cholla Foundation 2016 Golf Tournament

Thank you to Team Cholla and our Board Members Chris Nanos, Tamra Briley and Julie Butcher for making the golf tournament a huge success! Over \$31,000 was raised to help extend summer hour of operation this year!

The Team Cholla Foundation was originally founded in 2013 by Tim Meyer and Ken Cockerham of Brentwood, TN. The Foundation was created to formalize and give shape to many years of informal charitable fundraising by the founders and others through outdoor group activities such as golf outings, fishing trips and pheasant hunting. Historically, the unorganized efforts have yielded many tens of thousands of dollars "for the Kids".

Thank YOU Team Cholla!

**Club Highlights - Our Clubs Making a Difference For Our Kids**

**Triple Play Training**

We hosted a Triple Play Training and had a facilitator from national here on Friday, March 4th.

The training was prompted by our Avandia grant program officer and several teams from southern AZ BGC locations joined us for the day.

Triple Play is a dynamic wellness program currently offered in Boys & Girls Clubs that demonstrates how eating right, keeping fit and forming positive relationships add up to a healthy lifestyle. The goal of the Triple Play program is to improve Club members' knowledge of healthy habits; increase the number of hours per day they participate in physical activities; and strengthen their ability to interact positively with others and engage in positive relationships.

Triple Play programming is being delivered at all of our Club's.

### **Frank & Edith Morton Clubhouse**

#### **Gabriel's Angels**

Gabriel's Angels is the only program in Arizona that delivers healing pet therapy to abused, neglected and at-risk children. Our short term goal is to instill in children an overall emotional sense of well-being, safety and happiness. Long term aspiration is to help children learn core social skills that will prevent them from continuing the cycle of violence as adults.

We have been fortunate to receive service at FEM from The Gabriel's Angels Team.

Daniel and Michelle will be awarded for their engagement with the organization in May at their Unleash the Love event.

### **Steve Daru Clubhouse**

#### **Local Hip-Hop artist performed at the Club Friday, March 11th**

The Club invited local artist, Lando Chill, out to rap and share some positive messages with our members.

### **Roy Drachman Mental Health Symposium**

Multiple Club sites took youth over to RD to connect them with a learning event focused on youth mental health; community mental health providers were present and was included a DJ about 50 folks attended!

Other things Roy Drachman Club Members enjoyed recently include Lego robotics, cooking club and a Suns game!

All Clubhouses have so much happening. We will share more from PY and JVC in our next issue of the Good News Newsletter. Thank you to the Board for your part in making all these amazing opportunities available to our Club Members
