

2024 IMPACT REPORT

BGCT Impact

-  We served more than 4,200 youth in our five Clubhouses
-  100% of Club members participated in Power Hour Program (homework help)
-  More than 2,000 members learned about Summer Brain Gain or STEM
-  We served more than 50,000 free meals during school-year and summer program
-  53% of Club youth exercise 5+ hours per week
-  For every \$1 invested in our youth generates \$9.60 back into our community
-  97% of Club teens are expected to graduate from high school
-  75% of Club 12th graders submitted FAFSA compared to just half of 12th graders nationally

Youth of the Year 2024

Jaydon has been a member of the Boys & Girls Club for eight years, starting in third grade for basketball and later participating in programs like Guy Talk, Passport 2 Manhood, Money Matters and Career Launch.

His experiences, including college trips to UCLA and USC, have greatly influenced his personal growth and perspective. The Club has not only been an escape but also a place where he has gained valuable life lessons. The staff, serving as mentors, have played a key role in guiding him toward a future he's passionate about.

The Boys & Girls Club has been instrumental in shaping Jaydon, teaching him to embrace life's opportunities. He plans to attend the University of Arizona or UCLA to study Sports Medicine and will be the first in his family to attend college.

Our Members

For more than 67 years, the Boys & Girls Clubs of Tucson has provided a safe place for kids and teens to learn and grow.

Clubs offer caring adult mentors, fun and friendship, and high-impact youth development programs on a daily basis during critical non-school hours.

The Boys & Girls Clubs of Tucson programming promotes Academic Success, Character Leadership, Health & Well-Being, and Life & Workforce Readiness.

Holmes Tuttle Teen Tech & Workforce Readiness Center

The Holmes Tuttle Clubhouse is undergoing renovation for the addition of a Teen Tech & Workforce Readiness Center! The new features will allow teens to learn about and practice for professional careers in areas like hospitality, podcasting, drone operation and many more, with tech like virtual reality training and games, a full commercial/restaurant kitchen, and recording studios and equipment. Call BGCT today if you're interested in partnering with us to help our teens become workforce ready!

FORMULA FOR IMPACT

We provide youth and teens with environments, relationships and experiences that build essential skills and equip them to achieve positive outcomes.

The Stories...

"Power Hour has been a great way for me to connect with the kids through helping them with their schoolwork and projects. Some of our youth might not have internet access or extra help at home so it's super important that our Power Hour program is ran at the Club."

-Sy'rai P. Recreation and Wellness Coordinator at Roy Drachman

"When I first started attending the Boys & Girls Club, two members encouraged me to come more often, and the more I attended, the more involved I became in programs like SMART Girls, Money Matters, and Keystone. SMART Girls covers topics like cyberbullying, body image, and hygiene, while Money Matters teaches financial literacy. Keystone allows older teens to create events, help the community, and raise funds for college visits. These programs were so fun, I looked forward to returning every time."

Breanda J, Age 17

Jim & Vicki Click Clubhouse Youth of the Year Winner

"The help you provide my kid makes a great impact as he will be the first in our family to graduate high school, so being able to have you guys as a resource helps us ensure our kid is successful in school." – **Sally Medina, Parent**

I learned that I am cool just the way I am. Let me explain, I don't usually hang out in the crowds with the cool kids, sometimes I think I am uncool, but when I see them getting into trouble or disciplined, I am proud of myself for having manners, self-control, respect and being more mature for my age. I might just be a kid but if I continue being me, I will grow to be a great man. – **Julian, Club Member**

Thanks to YOU, we can open doors for a brighter future for Tucson's youth. To make a donation, become a partner, sponsor an event, schedule a tour, or learn about other ways you can help, call 520-573-3533 or visit bgctucson.org
