Message from our Interim CEO

Happy New Year! I hope this year brings joy, health, and exciting opportunities for all. As we begin 2026, I am filled with gratitude and excitement for the challenges and opportunities ahead, especially as we continue providing our club members with the programs and support they need to reach their full potential.

Our staff and I are ready to work together, united in our mission to guide and inspire our youth on a clear path toward success.

I also want to express my sincere thanks to the Pueblo Gardens Neighborhood Association and the Martin Luther King Breakfast Committee for inviting me to serve as a keynote speaker at this year's 36th Annual MLK Breakfast. It was a remarkable morning of unity, thoughtful reflection, and community spirit as we honored the enduring legacy of Dr. Martin Luther King Jr.

Here's to a year of growth, impact, and making a difference in the lives of the youth we serve!

With gratitude,
Tony Penn
Interim CEO

"...technology and human effort can bring people closer..."

We are beyond excited to share that the Holmes Tuttle Workforce Readiness Center has been selected as the Southern Arizona finalist for Cox Mobile's "A World Within Reach: Future Icons" Phone Case Design Contest!
