

BLUE TILES for GREAT FUTURES!

GREAT FUTURES START HERE. ■■■■■

The Boys & Girls Clubs of Tucson offers much more than quality supervision at an affordable cost. Character building and success in school are recurrent themes in all of our core programs. Our enrichment activities, such as sports leagues, performing and fine arts, also form an integral part of the learning experience. Families truly depend on us to take an active and positive roll in their children's lives. Taking on this important role means that we are not just teaching things like arts and crafts, cooking, and sports. We use these as opportunities to teach socialization and living skills in a positive environment. And, we provide academic support and homework assistance to assure success in school and in life.

We sincerely hope that you, too, feel excited about the opportunity to make a positive impact on so many young lives in our community. We see this Blue Tiles Campaign as an opportunity to make an investment in our community's youth and to leave a legacy for future generations.

The support and commitment of the entire community is needed for this project to succeed. Our goal is to raise an additional \$50,000 a year to support the transformational growth of this organization. This growth will include capital improvements at each club, scholarship funds for more youth, an increase in STEAM activities, Workforce Development Programs and sports. Blue tiles will hang on front of the Harold Ashton Resource Center at 3155 East Grant Road. Each tile will be engraved with your personal message or tribute.
